

MAJOR CLEARANCE FORM

**Bachelor of Science in Applied Computer Graphics
Technical Option with Art Studio Program**

Name: Student ID #:
first middle last

Permanent address:

Planned semester and year of graduation: *select semester* **Fall** **Spring** *enter year*

Purpose: The courses listed are the minimum required for this major. This form is used to verify when you have completed major requirements and, when all other University requirements are met (a minimum aggregate of 120 semester units, general education, etc.) you will be cleared to graduate. *Please submit this form during the semester prior to your final year of coursework.*

Instructions: Enter the requested information for all coursework listed (past, current, and planned), including the courses you will use as electives in the major. For past courses, enter the grades received; otherwise, leave the grade blank. If your plans change from what you list, these changes must be recorded using a *Change Form* available in the department office. Your entries must agree exactly with your academic record. All yellow entries are required; all other entries are only needed where applicable. Headings with yellow flags contain notes that provide additional information regarding certain entries (also listed on page 2 of form). Complete both pages and print for signatures.

Notes for certain entries on page 1 of this form:

Heading	Note
Semester:	Enter the semester this course was completed or is planned to be completed (e.g. F2007).
Authorized Substitute Course	Substitute courses are of two types: 1. Transfer courses from other colleges (including community colleges) which are certified as equivalent to CSU Chico courses; 2. Courses approved by the department for an individual student through the "petition" process.
Course:	Enter the prefix and number of the authorized substitute course if transfer or petition substitution or the prefix and number of the course taken from the listed selections where applicable. Leave blank if no substitution and not a selection.
College:	Enter the college where the substitute course was taken, but only if the course was not taken at CSU Chico. Leave blank if not a transfer substitution.
Ptn:	Click on the box if the substitute course was authorized by petition. Leave blank if not a petition substitution.
Actual:	Enter the actual semester units completed, but only if different from the required units. Leave blank if not different from required.
Grade(s):	Enter grades for all attempts at the course (unless the grade was forgiven). Leave blank if course has not yet been attempted.
	≥ C- required; Writing proficiency course. CSCI 330.
